

**"Skip your Children's Graduation...
Be a little late for your own wedding...
Just be there when Perry A~ takes the stage!"**

David Parks, conference attendee

"Perry A~ captivated the room of almost 4,000 people. Through her thought provoking talk she instantly changed the way our attendees viewed themselves and others."

Nancy Bock, FHA/HEROES Natl. Convention

"As the meeting planner for our annual conference I was overwhelmed by the comments from our attendees about this captivating performance. She instantly connected with each and every guest while sugar coating them with their very own dessert analogy."

Dael Spillman, TX. Comm. on Human Rights

"She opened my mind and heart to a powerful and startling new interpersonal technique. Her inspirational message opened our advisors to rethink their perceptions as never before!"

Andre Poland, Arthritis Society of Canada

"With Perry A~ on the platform you can have your cake and eat it too. For those fearing the perils of self-indulgence- fear not - her books and light-hearted after-dinner Freudianism will put you at ease."

Norman Oder, Publishers Weekly

"Perry A~ was our conference opening keynote. Her unique ability to make each of our attendees feel good about themselves as well as to open to all of the gifts our event held for them was nothing short of phenomenal."

Allen Smith, NDIC

"This lady of charm and grace left such a lasting impression on us that seven years later she is still talked about... This month she again joined us with her newest performance, "Live from Seymour, Texas," and if it is possible, she was even better than before."

Deanna Moczygamba, American Business Women's Association

"I knew I had to have this lady on my show. Now, every time she is on, the phone lines stay packed and keep ringing long after the show is over."

David Essel, Westwood One Entertainment

"Perry A~ so graciously spent time mingling with the attendees... the personal interviews with the executive committee added a special treat."

Nancy Windbiel, Pres., VA Assoc. of Federal Edu. Program Admin.

"You touched my soul and opened my mind... Your performance brought tears of joy. I was laughing and crying at the same time. You, my dear, are the "Prophet of Parfaits".
